The BASHLOTTO Purpose

BASHLOTTO was established to raise funds to support Bashley Football Club with the maintenance and development of its ground, facilities and equipment. Providing facilities for players, spectators, administrators, officials for social, community and hospitality for all who come to Bashley Football Club for sporting, recreational or social events.

BASHLOTTO Overview

BASHLOTTO is open to all who complete an entry form and pay an entry fee of £1 per week. No club membership is required. Entrants will be allocated two random numbers in the Lotto range of 1-59, valid once per week following the Wednesday Lotto Draw. If your two numbers match the first two numbers drawn in the Wednesday Lotto and the sequence in which they are drawn exactly, you will win the current Jackpot.

The Jackpot will be a prize fund made up of 50% of that week's entry fees and any money that has rolled over from un-won earlier draws. BASHLOTTO will operate on a Rollover basis so that un-won Jackpots will be added to the next draw until won, or until the Jackpot reaches £25,000, the maximum prize allowable under our licence, where it will remain without increase until won. The other 50% of weekly entry fees will go to supporting Bashley Football Club as described in 'Purpose' and to lottery expenses such as printing, advertising and communications.

Where no winning Jackpot entry has been identified following any draw, BASHLOTTO will rollover the standing amounts and rounded to the nearest pound.

- Weekly Jackpot with a Rollover if Jackpot is not won
- Maximum Prize £25,000
